

Access Asia in Maryland

November 4, 2019

Explore Export Opportunities in Japan, Korea, and Thailand

No fee to register, includes networking breakfast and lunch

Sponsored by the U.S. Commercial Service and Howard County Economic Development Authority

Join us for this rare opportunity to meet with our U.S. Commercial Service Officers in Maryland as part of a week-long tour through WV, VA, MD, PA, and NC. Don't miss this presentation and discussion on doing business in the lucrative Asian markets of Japan, South Korea, and Thailand.

Japan

- U.S. exports to Japan reached \$121.1 billion (2018).
- 3rd largest economy in the world after the U.S. & China.
- 4th largest importer of U.S. products.
- Provides strong protections for intellectual and real property rights.
- Top export sectors: Agriculture, Aircraft and Related Parts, Cloud Computing.
